Walks

Walks will be between 1-3 hours sometimes with a picnic lunch. Some days there will be the option to extend your walk by another hour or two. We are in a hilly part of the National Park, so you need to be comfortable with some ups and downs each day.

Park Entry

Car passes are \$17 per vehicle per day. You can purchase online or in Jindabyne at the Park Centre. If you have a disability or reason for a discounted pass, you need to contact them in advance to get a reduction.

Volunteering

We ask everybody to help in some way in the kitchen, dining set up and clean up. We also ask you to clean your bedroom at the end of the week.

Packing List & Weather

We are in an alpine area which can mean hot weather or mist, cold and mizzle. So please bring clothes that will cover all of that. Think layers. Bring suitable shoes for walking, day pack, water bottle, lunch container, waterproof jacket, hat, sunnies, sunscreen, warm jacket.

Fragrance

Many people experience headaches, asthma and skin problems when exposed to fragrance. We would appreciate if you would consider limiting your use of products that have fragrance.
